# EMU INTERNATIONAL PROGRAMS 2026

Winter, Spring and Summer Schools

# Welcome to Eastern Mediterranean University All season School 2026

## *Your unforgettable journey awaits*

Come join us on the sunny shores of North Cyprus, Famagusta for an awesome adventure at the most prestigious university, Eastern Mediterranean University. Placed on a striking island, we invite you to join our vibrant and enriching all-season School program.

Eastern Mediterranean University (EMU), located in the heart of Famagusta, North Cyprus, is proud to offer diverse, engaging, and globally recognized short-term educational programs throughout the year. Whether you're looking to enhance your English, gain academic experience, or enjoy cultural exploration, EMU's Winter, Spring and Summer Schools are tailored to meet your goals.

From seasoned academics and adventurous explorers to those simply seeking a refreshing educational experience, EMU School 2026 offers something for everyone—regardless of age or background. Participants can immerse themselves in a rich variety of courses, workshops, and cultural experiences designed to ignite curiosity and inspire personal growth.

Come discover the perfect blend of academic excellence, cultural immersion, and leisurely relaxation at Eastern Mediterranean University All-season School 2026.

# Why Join EMU All-Season School?

## *A unique learning experience in every season*

Eastern Mediterranean University's All-season School offers a truly unique educational experience through its diverse programs including language camps, and more. Students benefit from international exposure as they learn alongside peers from across the globe, fostering cross-cultural connections and global awareness. With courses led by experienced EMU faculty and

professionals, academic excellence is at the heart of every program. Set against the stunning backdrop of North Cyprus, participants enjoy a vibrant Mediterranean lifestyle while engaging in meaningful learning. The programs are also inclusive and supportive, welcoming students of all abilities and age groups to grow, connect, and thrive.

### Testimonial

#### **Gonca – Age 15, Türkiye**

*"Hello! My name is Müzeyyan Gonca Sümeri, and I'm 15 years old from Ankara, Türkiye.*

*We found out about EMU's Summer School through a poster, and after doing some research and receiving a recommendation from my father's friend, an EMU graduate, we decided to apply. Except for a few small issues, the program was truly fun and enjoyable. I especially loved the large campus and the many opportunities available here. I would love to study at EMU in the future!"*

# Our courses Language Camp

*Enrich your journey with the gift of language and embark on a journey of lifelong learning with us!*

- General English Courses (A1–B1 levels)
- Junior Learners Program (ages 8–14)
- IELTS / TOEFL / PTE / University Entrance English Proficiency Preparation Courses
- Turkish Language Courses
- Teacher Training Workshops

Embark on a journey of language learning and academic achievement with our Language Academy. Tailored for learners of ages 8 and above, our academy offers a diverse range of language courses designed to inspire, educate, and

empower. Whether you're a beginner or an advanced learner, our experienced instructors are here to guide you through immersive language experiences that will enhance your communication skills and broaden your cultural horizons.

In addition to our regular language courses, we also offer specialized exam preparation programs for internationally recognized exams such as IELTS, TOEFL, and PTE.

Prepare with confidence and take your exams right here on campus, with the support of our dedicated faculty and resources. Join us at our Summer Language camp and unlock your potential to communicate effectively across borders and cultures.

# More courses Specific Purpose Academy

## *Looking to enhance your skills or explore new interests all season?*

Our All-season School Program offers a diverse range of courses tailored for specific purposes. Whether you're interested in teacher training, professional development, robotic coding, pre-med training, or any other field, we have something for all.

### **Key Features:**

**Specialized Courses:** Choose from a variety of courses designed to meet specific needs and interests. Our expert instructors provide hands-on training and personalized guidance.

**Teacher Training:** Sharpen your teaching skills with our comprehensive teacher training courses. Gain valuable insights and practical strategies to excel in the classroom.

**Professional Development:** Advance your career with our professional development courses. Acquire new skills, expand your knowledge, and stay current in your field with our targeted training programs.

**Robotic Coding:** Dive into the exciting world of robotics and coding. Learn how to program robots, develop innovative projects, and unleash your creativity in a dynamic learning environment.

**Pre-Med Training:** Get a head start on your medical career with our pre-med training program. Explore key concepts, hands-on activities, and real-world scenarios to prepare for future success in the medical field.

**Wide Range of Options:** With many other options available, including language courses, arts workshops, and activities, you're sure to find the perfect fit for your interests and goals.

# Accommodation

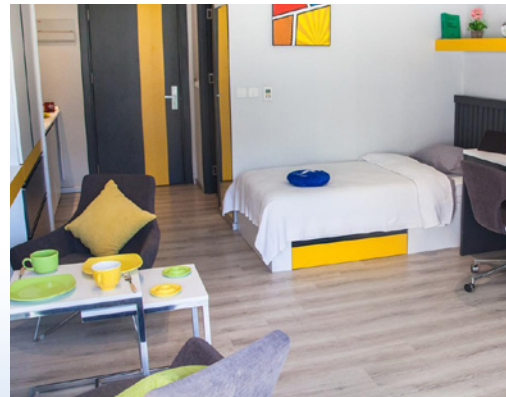

When traveling to North Cyprus, you'll find a variety of accommodation options to suit your needs and preferences. Whether

you're a solo traveler, a couple, or a family with children, there's something for everyone.

## EMU Dormitories

## Privately Owned Dormitories

# EMU Beach Club

Nestled along the sunny shores of North Cyprus, EMU Beach Club offers a fun spot for sports and beach activities. As a private club, we provide a special place where you can enjoy lots of things to do while enjoying the beauty of nature. For those who love sports, our club has lots of options like beach volleyball, soccer, and water sports. Our beach is perfect for playing games and having fun in the sun. But that's not all! At EMU Beach Club, we also have cool activities like sand sculpture workshops. You can get creative and make amazing sculptures out of sand.

Plus, you can join guided tours to see the caretta caretta turtles nesting on our beach. It's a chance to see these cool turtles and learn about how we can help protect them.

EMU Beach Club offers a day of fun sports, creative activities, and nature adventures. Whether you want to relax or have an adventure, our club is the perfect place to enjoy the pool or beach and make great memories!

# Food Options

At EMU All-season School, we understand the importance of providing delicious and nourishing meals to our participants. Our food options include table d'hôte dining experiences as well as lunches or dinners at our EMU Beach Club. Table d'hôte dining offers a fixed menu with a selection of appetizers, main courses, and desserts, providing a diverse culinary experience for our participants. Our talented chefs carefully curate each meal to ensure a balance of flavors and nutritional value. Our food options at EMU All-season School Program aim to provide participants with satisfying and enjoyable dining experiences throughout their stay.
