WELCOME TO THE SUMMER SCHOOL OF EASTERN MEDITERRANEAN UNIVERSITY!

Come to sunny Northern Cyprus, to Famagusta! Here, at Eastern Mediterranean University (EMU), the EMU Summer School 2026 takes place — a blend of learning, cultural exchange, and seaside relaxation.

The school offers short-term language programs, workshops, and cultural-educational activities. Participants study in an international environment, develop language skills, broaden their horizons, and improve intercultural communication. The programs are suitable for learners of all ages and levels. EMU's experienced instructors create a friendly and motivating atmosphere.

Summer in Northern Cyprus means a gentle sea breeze, warm evenings, and blooming oleanders, making the learning experience especially enjoyable.

EMU Summer School 2026 offers new knowledge, international friendships, and an unforgettable summer in one of the sunniest corners of the Mediterranean.

EMU Language Academy invites students aged 8+ to Summer School, focused on language learning and academic development. Programs suit both beginners and experienced learners, helping develop communication, confidence, and cultural awareness.

Participants may prepare for IELTS, TOEFL & PTE and even take the exams on campus. Classes are delivered by qualified instructors in a supportive learning environment.

Summer School at EMU means international communication, new knowledge, and vivid experiences — in the season of sun, sea, and inspiration in Northern Cyprus.

Special Training Academy

OUR COURSES

WANT TO UPGRADE YOUR SKILLS OR TRY SOMETHING NEW?

SPECIALIZED COURSES:

A wide range of programs tailored to specific goals and interests. Classes are delivered by experienced instructors and include hands-on practice and personalized support.

TEACHER TRAINING:

Courses designed to develop professional teaching skills. Participants gain practical methods and strategies for successful work in educational environments.

PROFESSIONAL DEVELOPMENT:

Advance your career through courses focused on acquiring new skills, expanding knowledge, and updating professional competencies.

ROBOTICS & PROGRAMMING:

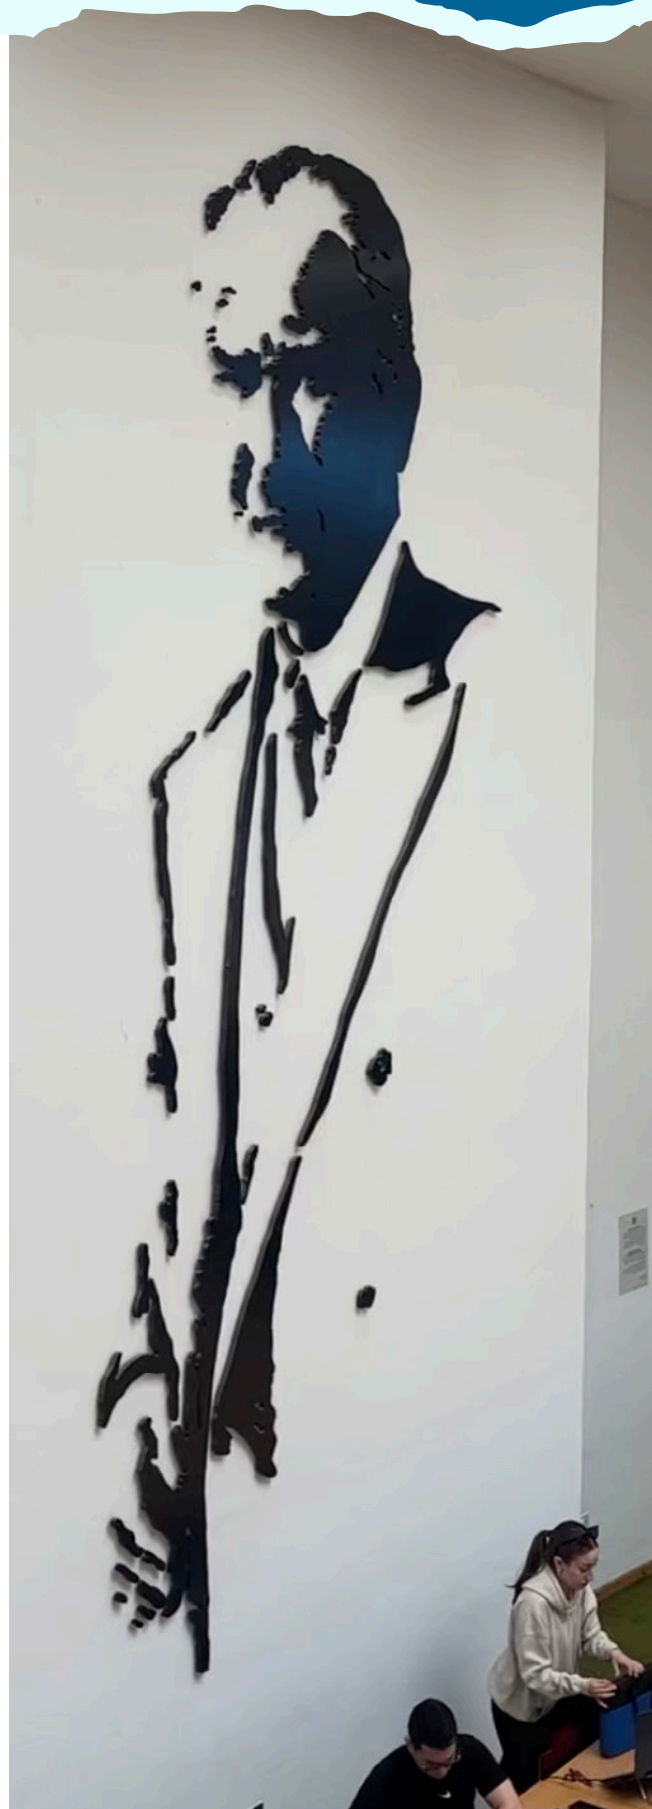

Discover the world of robotics and coding. Learn to program, create your own projects, and develop creative thinking in an interactive environment.

MEDICAL PREPARATION PROGRAMS:

Gain foundational knowledge and practical experience through programs designed for future medical professionals. Study key subjects, participate in practical sessions, and simulate real-life scenarios.

WIDE RANGE OF OPTIONS:

In addition to core courses, language programs, creative workshops, and other activities are available — everyone can find a format that suits their interests and goals.

Accommodation

Participants stay at the modern Pop Art Dormitory in comfortable double and triple rooms equipped with everything needed. The dorm features study areas, lounges, and 24/7 security — offering a safe and friendly campus environment.

Meal

At EMU Summer School, we understand the importance of providing delicious and nourishing meals to our participants. Our food options include table d'hôte dining experiences as well as lunches or dinners at our EMU Beach Club. Table d'hôte dining offers a fixed menu with a selection of appetizers, main courses, and desserts, providing a diverse culinary experience for our participants. Our talented chefs carefully curate each meal to ensure a balance of flavors and nutritional value. Our food options at EMU Summer School, Program aim to provide participants with satisfying and enjoyable dining experiences throughout their stay.

EMU Beach Club

Nestled along the sunny shores of North Cyprus, EMU Beach Club offers a fun spot for sports and beach activities. As a private club, we provide a special place where you can enjoy lots of things to do while enjoying the beauty of nature. For those who love sports, our club has lots of options like beach volleyball, soccer, and water sports. Our beach is perfect for playing games and having fun in the sun.

But that's not all! At EMU Beach Club, we also have cool activities like sand

sculpture workshops. You can get creative and make amazing sculptures out of sand. Plus, you can join guided tours to see the caretta caretta turtles nesting on our beach. It's a chance to see these cool turtles and learn about how we can help protect them.

EMU Beach Club offers a day of fun sports, creative activities, and nature adventures. Whether you want to relax or have an adventure, our club is the perfect place to enjoy the pool or beach and make great memories!

Beach Sprinters – Sea Turtles

One of Northern Cyprus's natural wonders is baby sea turtles hatching on nearby beaches. Watching them take their first steps toward the sea is an unforgettable experience that inspires love for nature.

Participants of EMU Summer School not only study and make friends – they also witness these magical moments.
